COMMUNICATING WITH FACULTY (CONT.)

Hello,

We have a student who is looking to see if any credit can come from his/her Joint Services Transcript. From what I can gather from the transcript, there are some descriptions on there that could possibly apply to one or more of our CIS courses. I was hoping you could take a look at the attached Joint Services Transcript, and the descriptions listed, to see if any credit can be awarded.

Here are the particular ACE Identifiers for your review. There are possible semester credits listed below each description. Based on the titles listed and the corresponding descriptions, are there any JSCC courses that we could award credit for?

MOS-92A-001

MOS-92A-002

Feel free to contact me if you need anything further, and thank you in advance for any information you can provide.
